## Color Profile: #4C524F

**Common Name:** *Urban Chic*

**RGB:** (76, 82, 79)

**HSL:** (144°, 4%, 31%)

**Contrast vs White:** 3.9:1 (AA pass)

**Contrast vs Black:** 15.6:1 (AAA pass)

**Mood Blurb:** The color #4C524F exudes a sense of calm sophistication. It is a muted, balanced gray-green that evokes feelings of understated elegance and timeless style. Often associated with modern design, it brings a sense of warmth without overpowering a space or design element. Popular in both interior design and fashion, its neutrality makes it an excellent choice for professional, minimalist, and nature-inspired themes.

### Notable Close Matches:

- **Federal Standard 595c** - #4C524F (Exact match) -  $\Delta E=0.00$
- **AMS Standard 595a** - #4C524F (Exact match) -  $\Delta E=0.00$
- **Pantone Solid Coated** - #4B5457 -  $\Delta E=3.98$
- **Behr Paint** - Carbon Copy #4E504E -  $\Delta E=1.88$
- **Benjamin Moore Paints** - Deep River #4C4F4B -  $\Delta E=1.75$

### Why Designers Use It:

- **Versatility:** Its subtle yet distinct tone works well in diverse applications, from graphic design to interior decoration. This color can blend with warm neutrals or cool tones, making it highly adaptable.
- **Modern Appeal:** A favorite for contemporary and minimalist designs, it helps achieve a sleek, elegant look in both residential and commercial spaces.
- **Emotional Impact:** #4C524F evokes stability and sophistication, making it ideal for professional settings, brands seeking a refined image, or spaces that demand calm and focus.

- **Trend Influence:** It's increasingly popular in the design world, especially in modern office interiors, fashion, and luxury branding, suggesting a trend towards deeper, more subdued hues that still hold interest without being overwhelming.
- **Industrial Use:** Found in applications where durability and elegance matter, it's frequently seen in automotive and technology design. Some paint standards for machinery and naval applications also favor similar shades due to their balance between visibility and restraint.
