- **AS2700 T32** - Huon Green: #72B2AB
- **Jotun 6032** - Imperial Jade: #75CBC3
- **Behr P440-4** - March Aquamarine: #6FC1B0
- **Benjamin Moore 606** - Island Paradise: #5CC2AA
- **Jotun 6032** - Imperial Jade: #75CBC3

**Why Designers Use It:** This color is often used for its refreshing and calming qualities. Its balanced hue makes it highly popular in the wellness, hospitality, and interior design industries. It's especially favored in designs that aim to evoke a sense of calm, tranquility, and nature, and is frequently seen in coastal or tropical themed spaces. With its strong association to water and serene landscapes, it is widely used in products designed to promote relaxation, like spa interiors and leisure spaces. This color also blends effortlessly with earth tones, providing a natural aesthetic that feels both modern and timeless. It's growing in popularity in regions with strong coastal and maritime influences, and the trend has expanded in recent years with the increased focus on wellness and mental health in design.

**Notable Uses & Structure:** Often chosen by brands in the hospitality and wellness sectors, #5ABEAA is ideal for creating a peaceful and inviting atmosphere.

Whether it's used in hotel room design, home decor, or branding, it creates an inviting space that draws people in with its soft but striking appearance. Designers find this shade effective in creating a calm space with a natural or nautical touch, which adds to its appeal in luxury and spa markets.
